PRIVACY POLICY

Fábi-Molnár Márta in connection to (Headquarters address: 4241 Bocskaikert, Gulyás Pál street 32, tax number: 68734110-1-29) http://www.bellelelle.com/en/ webshop stores only those pieces of information regarding the Buyers that are necessary to the completion of purchase, for the period regulated by the applicable laws.

Stored data:

The Buyer's name, shipping and mailing address(es), e-mail address, tel. number.

On the webshop there is an option to register an account. To register an account, the buyer has to choose a password (use of a username is optional).

Registering an account is not necessary. In the case of using an account we can link purchases by the same customer together so we are able to give loyalty discount.

All data is handled according to the Act CXII of 2011 on the Right of Informational Self-Determination and on Freedom of Information and the GDPR.

In accordance with the customer contact laws of Hungary, no data management has to be reported at the register of data protection, if:

- the data are collected directly from the client,
- the purpose of data management is known for the concerned person,
- the type of the data to handle and their retaining period (date of deletion) are determined in advance,
- all data will be used only in relation to predetermined purposes,
- no data will be shared or given to a third party (excluding the data processing personnel),
- the concerned person is properly informed of this policy.

The chosen transporter service's staff qualify as data processing personnel, who will receive the data necessary for a successful delivery.

Furthermore, data processing personnel may also include our repairing partners who provide warranty services, who will receive the data necessary for the repairing process, but only after checking with the Consumer and receiving his or her consent.
